

2021 Tough Duck Jacket Program

Meet one of the following criteria and receive a hooded Tough Duck Bomber Jacket in tan, dark brown, or black!

Based on color availability.

- 1. Increase year over year sales with Pioneer corn and soybean products by 10% in dollar format.**
- 2. Grow 100% Pioneer or other MHS seed products on your farm for 2021.**
- 3. For dairy customers, purchase three from the following four categories: Pioneer Alfalfa, Pioneer Corn, Northstar Forages, Silage Inoculant.**

Since COVID-19 has restricted usual customer activities such as pick-up days, crop tours, and sporting event tickets, we have created an opportunity for growers to receive a high quality gift. Thank you for your continued support.

Customers are eligible for more than 1 jacket per farm if the above qualifications are met and reviewed by Marc Hutlet Seeds Ltd.

Please contact us for more information and details on our corn, soybean, canola, alfalfa, forage, and sunflower line-ups.

We're ready to #BustThrough with Pioneer.
